

Don Class Activity Grid WC 30th Mar

Hello Don class I hope you are all settling into home learning and managing to get

<p>Months of the year. Do you know the month before and after March? Practice the sequence from different starting points</p>	<p>Number sequence – can you find/say/clap the next numbers in the sequence. Count in 2's 5's or 10's for an extra challenge!</p>	<p>Retell the story of Goldilocks and the three bears. Did you remember what happens? Can you draw a scene?</p>	<p>Make a list of things you would like to do at home next week</p>
<p>Try some yoga from cosmic yoga or seated yoga on youtube or try drawing lots of shapes on a piece of paper and colour them in</p>	<p>Throwing balls into a tub (You can use rolled up socks as balls and anything as a target). Pots and pans are great for this as they are noisy! You can also give different sizes of targets and distances.</p>	<p>Making a dance routine (Choose 4 dance moves for example clapping hands, stamping feet, shaking head, spin around. Do each move for 4 beats. Repeat).</p>	<p>Play a game together – I-spy using colours (such as something blue) or letters as clues</p>

into some sort of routine? We hope you enjoyed doing some of the home learning activities from last week - I have set some new challenges below in case you have finished the activities on the last grid. There is no expectation to finish all of the grid activities – do as much as you feel is necessary.
