

Get ready for Easter
One of many ways to decorate an egg.

You will need: Food colouring, plastic food bags and an egg.

Boil your egg for at least 5 minutes.

Let your egg cool down and dry.

Tap your egg on a hard surface to crack the shell

Put about 4 or 5 drops of food colouring into the plastic bag

Put the egg in the bag, move it about to completely colour it

Take egg out of bag and wash under the tap.

Remove the shell

Wash under the tap again to make all shell is gone

Try different coloured food colouring.

Enjoy your tasty marbled egg as a snack or for lunch.
