

Don Class Activity Grid WC 21st April

Hello Don class and welcome back after the holidays. I hope you enjoyed some time outside and are settling into a new routine. Below are this weeks' activities - remember there is no expectation to finish all of the grid activities – do as much as you feel is necessary.

<p>Practice some signalong using the free resources at the website https://www.signalong.org.uk/free-resources</p> <p>Can you show someone the signs for stop and finished? How about some school activities like art, HE, PE, Music?</p>	<p>Number sequence – Can you find collections of items in your house? How many socks do you have? How many pairs? How many jars or tins? Which is the most?</p>	<p>Watch ‘We’re Going on a Bear Hunt’ animated story/read the book at home. https://www.youtube.com/watch?v=0gyl6ykDwds</p> <p>Have your own ‘Bear Hunt’ at home. Hide all your teddies/soft toys/toys around the house and give each other clues to find them. Think about using specific directions – under, beside, forwards, backwards etc.</p>	<p>Sudoku can be a great game to play! Try some of the puzzles here: http://www.mathsphere.co.uk/downloads/sudoku/10201-easy.pdf</p>
<p>Here are some dance clips from youtube that you can dance along to, the Dino Stomp is a firm favourite at school!</p> <p>Dino Stomp: https://www.youtube.com/watch?v=lmhi98dHa5w</p>	<p>Target Games: Use tape to mark some squares on the back of</p>	<p>Signs of Spring: How many different kinds of flowers can you see when you are outside? Can you keep a note of the different types you see and how many you see of each kind? How many different colours can you find?</p>	<p>Create a daily timetable for this week. How many items are you going to have? What time is break and lunch? What do we normally do at school each day?</p>

a door.
(or you
could
draw
some
targets
on
paper).
Take
turns to
throw
balls (or
rolled up
socks)
at the
target.
Change
the
position
that you
throw
from
(sitting,
standing
, lying
down
etc) and
could
add in a
numera
cy
element
by
counting
the
number
of times
the
target is
hit. You
could
also use
the

	same idea in a sliding game instead of throwing putting targets on the floor
