## Home Learning Tasks

Hello Jamal, Craig, Miriam,  
Emma, Ozair, Lewis and Ewan.

Please choose some of these tasks to complete this week. (You could look back at previous weeks' Leven activity ideas too). There's no pressure to complete all tasks, feel free to adjust tasks to suit your learner's interests and engagement. My supportive weekly phone call to catch up with you all will continue this term.

Best wishes,  
Mrs Tough & 'the ladies'

**Please also make a scrap book and glue things in or take photos to create a diary of your weekly activities.**

# Numeracy

## 1. Online gaming

## Ingredients

- 2 eggs
- splash milk
- pinch salt and pepper
  
- 1-2 slices of bread, toasted
- butter, for spreading

## Method

1. Crack the eggs into a microwavable bowl and season.
2. Whisk well with a fork until completely combined and there are some bubbles on the surface.
3. Microwave for 30 seconds, then stir with a fork.
4. If necessary, microwave again in 10-second bursts, until almost set. Remember, it will continue cooking a little when removed from the microwave.
5. Stir again and set aside for 30 seconds.
6. Butter your toast and tip the egg on top. Serve.

Recipe Tips Add a dash of milk or cream to the eggs before microwaving if you prefer silky eggs.

Microwaves vary; the eggs may be almost set after 30 seconds or they may take a minute.

**Wash and dry the dishes together**

**Remember to take photos if possible**

# Literacy

## 1. Communicate using Images

Family discussion of nature or food experiences: in class we often sit down with a cup of tea to discuss our lives and experiences ... try these discussion ideas...

Make images using objects you find in the garden then show and discuss this with your family. You could also glue on, draw or colour in pictures of any animals etc you see.

If you have no garden you could also create an image using food wrappers to show and discuss which foods you enjoy the most.

**Remember to take photos if possible**

## 2. News Discussion

(this is a repeat task every week)

Watch and discuss children's Newsround reports

(control and left click on this link)

## 3. Recognising and Remembering

(this is a repeat task every week)

Try recognising, repeating and remembering

full name,

age,

date of birth,

house number,

postcode

...some pupils can practise

recognising, saying then writing these too (by drawing their writing line over your dotted line.)

# PE Activities

## Coordination & Movement

- Throwing a ball into a tub, try different ways of throwing (overarm, underarm etc). Concentrate on turn taking.
- Passing a ball hand to hand, like juggling a single ball. You could even try 2 ball juggling. Or rolling a ball hand to hand on a tabletop.
- Rolling a ball around your body or get your child to lie down and roll the ball along their body.
- Throwing and catching a ball between two people.
- Keepie upie with a balloon, count how many you get in a row.
