

My weekly message: Hello Clyde Class! I hope you are all well and keeping busy. Here are this week's learning activities. Please do what you can and remember to have fun! Shazia (Mrs. Hussnain)

Circle Time: Daily

Ask different family members:

"How do you feel today?"

What day is it today?

Sing days of the week and do all the signs if you can:

<https://www.youtube.com/watch?v=oKqAblcwFOA>

What month is it?

Sing months of the year and sign the months if you can:

<https://www.youtube.com/watch?v=5enDRrWyXaw>

What's the weather like?

Do you know the signalong sign for the weather?

Share news:

Signalong and Communication

Continue to learn the signs for THIS IS ME from THE GREATEST SHOWMAN.

Use the following link:

https://www.youtube.com/watch?v=u1ZHg_b643HY

Don't worry if you can't get all the signs. Just do your best and enjoy the song!

News Discussion (this is a repeat task every week)

Watch and discuss children's Newsround reports.

https://www.bbc.co.uk/newsround/news/watch_newsround

Literacy

Use the Speech and Language resources for: We're going on a Bear Hunt.

<https://braidburnedinburgh.com/home-learning-resources/speech-therapy-videos-and-resources/>

We're Going on a Bear Hunt
Michael Rosen Helen Oxenbury

Can you use the symbols at the right time when reading the story?

What did you do yesterday?

Listen to other members of the house's news too.

Hi 5

Do "Dinosaur Stomp" together using the following link:

<https://www.youtube.com/watch?v=Imhi98dHa5w>

Life Skills

Continue helping with daily chores.

Activity K

Make a bed

Making your bed in the morning can help start your day with a calm, clear head.

Shake the big duvet! Can you pull it on tight?

Puff up the pillows! Can you tuck them in just right?

Art and Crafts

Maths

Go on a Shape Search

Look around your home to see how many 2D and 3D shapes you can find. Record how many you find on a piece of paper.

How many shapes did you find?

Painting without paint!

Using various bits and pieces lying around the house or garden, try to build a picture! Once you have finished take a photo of it.

Make a Puzzle

Cut up a picture from a magazine, a hand-drawn picture or even a photograph into different shapes to make your own puzzle.

Maths

Home Tuckshop/Coffee Shop:

Continue with your home Tuckshop or Coffee shop.

Take turns being the customer or shop assistant.

Skills to focus on:

- Communication
- Counting coins

Science

Which solids dissolve in water?

Method

1. Add a teaspoon of whichever solid you are testing to a glass of cold water and a glass of hot water, stir and observe the difference.
2. Look to see if the solid dissolves in the hot water and cold water and if one is better than the other.
3. Record your observation.

RAINBOW SCAVENGER HUNT

- 🌈 Find something red.
- 🌈 Find something yellow.
- 🌈 Find something orange.
- 🌈 Find something green.
- 🌈 Find something blue.
- 🌈 Find something purple.
- 🌈 Name a fruit that is red.
- 🌈 Name an animal that is yellow.
- 🌈 Name a vegetable that is orange.
- 🌈 Name a plant that is green.
- 🌈 Name a flower that is purple.
- 🌈 Name something outside that is blue.

The Science Bit

Things like salt, sugar and coffee dissolve in water. They are soluble. They usually dissolve faster and better in hot water. Pepper and sand are insoluble, they will not dissolve even in hot water.

H.E.

Easy Cookie recipe on the website.

<https://braidburnedinburgh.com/home-learning-resources/subject-specialists/home-economics/>

P.E.

Continuing with the theme of fitness this week's task looks at understanding what happens to your body when you exercise. Do an activity which will enable your child to raise their heart rate. Get them to feel their chest, and if possible their pulse at their wrist or neck and describe what they feel. You could get them to compare with a family member who hasn't been exercising? Changes to point out and notice: Heart beating faster, breathing faster/ feeling out of breath, feeling hot/sweating. Try to have a conversation about these feelings being good and ok. You could even discuss the reasons behind these physiological changes if that's appropriate for your child.

Art Activity

This week's Art activity is about having fun with paper, making simple beads for some noisy fun, making beads for simple bracelets and

folding paper to make a concertina bracelet and snake!

V.I.

Hi everyone. I hope you are all having fun and learning at home. I've been working on some sensory story activities, and there are lots on the website from the last few weeks, including *The Tiger Who Came To Tea*, *The Very Hungry Caterpillar* and lots more! This week, if you're a fan of *Harry Potter* or *Charlie and the Chocolate Factory*, there's some fun activities for you to try. How about becoming a wizard and creating your own potions! Head over to the VI and Sensory Learners section in the Home Learning section of the website to find the activities. Wizards and Muggles welcome! Have fun. ☐
