

My weekly message:

Hello Clyde Class!

Here are this week's activities. I hope you are enjoying them. The Clyde team are in the process of making more videos. Amanda has shared her news and given you an insight into her life these days. Keep your eyes out to see who's next!

In the meantime, choose activities and have fun!

Shazia (Mrs. Hussnain)

Circle Time: Daily

Ask different family members:

"How do you feel today?"

What day is it today?

Sing days of the week and do all the signs if you can:

<https://www.youtube.com/watch?v=oKqAblcwFOA>

What month is it?

Sing months of the year and sign the months if you can:

Signalong and Communication

Practice signing the letters of the alphabet.

Literacy

Supa Modo

<https://www.youtube.com/watch?v=G7ToKioHCoU>

<https://www.youtube.com/watch?v=5enDRrWyXaw>

What's the weather like?

Do you know the signalong sign for the weather?

Share news:

What did you do yesterday?

Listen to other members of the house's news too.

Hi 5

Do "Dinosaur Stomp" together using the following link:

<https://www.youtube.com/watch?v=Imhi98dHa5w>

SIGNALONG LETTER SHAPES – based on BSL

News Discussion (*this is a repeat task every week*)

Watch and discuss children's Newsround reports.

https://www.bbc.co.uk/newsround/news/watch_newsround

Jo is a young girl living in a small village in Kenya with her mother and sister. She loves superheroes and covers her bedroom walls with film posters, dreaming of one day becoming a hero herself. When she is diagnosed with a terminal illness and returns home from the hospital, Jo's mother tries to keep it a secret from her. Jo's sister, keen to make her sister happy, joins up with the community to make Jo's dream of being a superhero come true.

Discussion

- Who is your favourite superhero?
- What do you like most about them?
- What superpower would you like to have?

Activity

- Design your own superhero that reflects your interests or where you live.

		<ul style="list-style-type: none"> • What pattern or colour would your costume and cape have? • What would your mask look like? • Would you have a logo that represents you? • What is your superpower?
--	--	---

Life Skills

Continue helping with daily chores.

Because of Covid-19 we need to keep ourselves safe when we are outside and when we go back to school.

SOCIAL DISTANCE = 6 feet or 3 steps

Art and Crafts

Egg Tray Painting

Why don't you try some painting on an egg tray!

What can you paint?

Maths

Matching!

You will need:

- Paper cups
- Card
- Black marker

Directions

Match the cups to the correct dots

If you meet anybody from another household then keep a safe distance of 6 feet. This is around 3 steps.

Practice this distance at home.

How many did you match?

Make a Puzzle

Cut up a picture from a magazine, a hand-drawn picture or even a photograph into different shapes to make your own puzzle.

Maths

Home Tuckshop/Coffee Shop:

Continue with your home Tuckshop or Coffee shop.

Take turns being the customer or shop assistant.

Skills to focus on:

- Communication
- Counting coins

Science

How to make an egg bounce!

WHAT YOU WILL NEED

1 raw egg
White vinegar
A bowl
Golden syrup
Food dye
Kitchen roll
Scales

INVENTOR SCAVENGER HUNT

- Find something that you can turn.
- Find something that is bumpy.
- Find something that is metal.
- Find something you put together.
- Find 3 things that are round.
- Find something you twist.
- Find something shiny.

WHAT YOU NEED TO DO

Place the egg in a bowl and pour the vinegar in until the egg is fully covered.

Put a plate on top of the bowl to ensure it stayed submerged in the vinegar.

72 hours later, carefully empty the vinegar and gently rinse the egg with tap water so that all the shell is removed.

If there are patches of shell, do not scratch them off as it may puncture the egg. Try gently rubbing and rinsing it off.

If it won't come off, place back in the bowl with fresh vinegar and leave for another 24 hours.

Dry your egg carefully on a piece of kitchen roll - then you're ready to start experimenting!

- Find something you can roll.
- Find a tube.
- Find 3 things that are squashy.
- Find something clear.
- Find something that can bounce.

Drop the egg from a height of around 20cm onto a flat surface and hopefully it will bounce. After dropping it, weigh the egg and write down its weight.

Place the egg in a bowl and completely cover it with golden syrup. Leave this for six hours.

When you take it out, the skin is wrinkly and the egg soft. Dry and weigh the egg - hopefully it will be lighter than before!

Place the lighter, wrinkled egg into a bowl of water with a few drops of food dye.

After around 6 hours, take the egg out and you should notice the egg is firm again and bouncy.

After drying it, weigh it again - it should be heavier again!

If you look closely, you should be able to see that the egg is now the colour of the food dye. The egg should bounce better than it originally did, but don't drop it from too great height as it will burst everywhere!

P.E.

This week's task is a take on musical statues, a firm favorite in PE lessons. Put some of your favourite music on and have a dance, when the music stops give your child a number between 1 and 6 (you could use a dice for this). The number given is either the number of body parts they need to touch the floor whilst being a statue (eg. number 4 might be both feet and both hands) or if reaching the floor is difficult you could play the game seated and the number given is the number of body parts they need to lift up (eg. 2 might be raise both arms, 4 could be lift up 4 fingers etc). Have fun!

Art Activity

This week's art activity is all about exploring the different textures in found objects, making rubbings and turning your rubbings into wonderful art work to display at home or to make your art work into a lovely card to post to someone to make their day!

V.I.

Hi Everyone.

This week we have film themed sensory activities. You can travel to a galaxy far, far away with the Star Wars and space activities. ☑ Or go on an icy adventure with Anna and Elsa in some Frozen activities. ☑ If you're feeling a bit more super, grab your cape and mask and save the world with some Superhero friends! Braidburn assemble!!! ☆

Have fun everyone!
