

Don Class Activity Grid WC 4th May

Hello Don class I hope you have settled back into learning at home. Below are this weeks' activities - remember there is no expectation to finish all of the grid activities – do as much as you feel is necessary.

<p style="text-align: center;"><u>Signalong</u></p> <p>Practice some signalong using the free resources at the website</p> <p>https://signalong.org.uk/filemanager/FREE%20Resources%20page/at breakfast 2020.pdf</p> <p>Can you use some of these breakfast symbols this week?</p>	<p style="text-align: center;"><u>Number before</u></p> <p>Look for numbers around you in your house or when you are outside. What would be the number that comes before? What is the number before that? Perhaps you can take turns to say what number comes before? Can you say the 5 numbers that came before between you?</p>
<p style="text-align: center;"><u>Story</u></p> <p>Watch 'We're Going on a Bear Hunt' animated story/read the book at home.</p> <p>https://www.youtube.com/watch?v=0qyl6ykDwds</p> <p>Have your own 'Bear Hunt' Some houses have put bears in their windows. Have you spotted any? Maybe you could have a competition to see who can spot the most each day? Can you draw the bear that you liked the most? What would the bear be called? What does it get up to when it isn't looking out of the window?!</p>	<p style="text-align: center;"><u>Questioning</u></p> <p>Can you and a partner come up with some questions for each other? You could ask about objects in a room or ask about things that you might see outside.</p>
<p style="text-align: center;"><u>What's in my bag?</u></p> <p>Ask a grownup to fill a bag with some items. Once this is done put your hand in and guess what the items are – No peeking in the bag! What words can you use to describe the items? Rough/smooth? Heavy/Light? Soft/Hard?</p>	<p style="text-align: center;"><u>Patterns</u></p> <p>A pattern is where objects or shapes repeat in an order for a number of times. Can you spot any patterns around you? Can you make some patterns using shapes or numbers?</p>

Minibeast hunt:

There are lots of new creatures appearing now that the weather is getting warmer. Have a look to see if you can find any when you are outside. Do you know the names of all the creatures that you find?

Perhaps you could draw a picture to show some of the creatures you have found? Maybe you can keep a record of how many of each creature you have seen?

Months of the year:

Continue to practice the months of the year songs:

<https://www.youtube.com/watch?v=omkuE6Wa5kQ>

<https://www.youtube.com/watch?v=5enDRrWyXaw>

Can you say/order the months correctly? When given a month can you say what month is next? What about before?

Specialist Subjects:

Art – Visit school website for art challenge this week.

Easy/intermediate - Let's make a collage picture

Intermediate/challenging - How to make paper flowers in a pot

Music –

Visit school website for videos of songs. <https://braidburnedinburgh.com/home-learning-resources/subject-specialists/music-ideas-and-videos/>

Try - Keep on dancing.

Ukulele- Hallelujah tutorial to try. <https://www.youtube.com/watch?v=zsVvdEE6EOA>

HE -

Toast Recipe on website.

If you can do this independently you could add your favourite topping or experiment and try something new! Try repeating this throughout the week to build on skills.

PE - Visit school website for PE ideas
