

Don Class Activity Grid WC 25th May

Hello Don class I have enjoyed chatting to your parents and carers this week and hope to chat to some of you as well soon! Below are this weeks' activities - remember there is no expectation to finish all of the grid activities – do as much as you feel is necessary.

<p style="text-align: center;"><u>Symbols</u></p> <p>At the bottom of these pages are some symbols – some you know and some that are new. Can you talk about these and say which you have seen before?</p> <p>Can you use some of these at home this week? Which ones can we use every day? Which ones do we use the most? Which do we like the most?</p>	<p style="text-align: center;"><u>Number Square activity</u></p> <p>Create your own number square or download from here:</p> <p>http://www.printablee.com/post_printable-blank-100-grid-chart_104492/</p> <p>Can you colour every 2nd number in red? Start with number 2. What number comes next? Does your number square have a pattern?</p>
<p style="text-align: center;"><u>Story</u></p> <p>Watch 'We're Going on a Bear Hunt' animated story/read the book at home.</p> <p>https://www.youtube.com/watch?v=0gyl6ykDwds</p> <p>Make a picnic lunch together. Think about opportunities to prepare food, cut food and tidy up as a team.</p>	<p style="text-align: center;"><u>Go Green Bingo</u></p> <p>Scottish Learning Disability Week 2020 was last week and they have created a recycling bingo game here:</p> <p>https://www.sclد.org.uk/wp-content/uploads/2020/02/Litter-pick-bingo-card_updated.pdf</p> <p>Can you play the game and see how many items you can find?</p>
<p style="text-align: center;"><u>Alphabet</u></p> <p>Can you remember the letters of the alphabet? Practise by saying them out loud and writing them – you can make this sensory by writing the letters in sand or mud or shaving foam</p>	<p style="text-align: center;"><u>Random acts of kindness</u></p> <p>It is important to be kind and think of others and this can be doing something small. Below are a list of ideas that you can do – can you choose one to do to help others? Do you have any ideas of your own?</p>

<p style="text-align: center;"><u>Nature Scavenger Hunt:</u></p> <p>Create a list of natural objects you can find outside (such as a bird feather, wildflowers, and a green leaf.) After you make your list, grab a bag and set out to find each item. The first one to find every item wins!</p>	<p style="text-align: center;"><u>Months of the year:</u></p> <p>Continue to practice the months of the year songs:</p> <p style="text-align: center;">https://www.youtube.com/watch?v=omkuE6Wa5kQ</p> <p style="text-align: center;">https://www.youtube.com/watch?v=5enDRrWyXaw</p> <p>Can you say/order the months correctly? When given a month can you say what month is next? What about before?</p>

Specialist Subjects:

Art – This weeks art activity is create an installation/'portrait' of yourself made up of objects, that you can find around the house, that are special to you

Music – Videos of songs covered in class on school website.

<https://braidburnedinburgh.com/home-learning-resources/subject-specialists/music-ideas-and-videos/>

Try Heads Shoulders knees and toes and Join in the game.

Ukulele - Here comes the sun. We tried this in class a few times but not with he riffs. Give them a go.

<http://stewartgreenhill.com/ukulele/HereComesTheSun.html>

Sheet music I could find to match the video.

<https://www.youtube.com/watch?v=ApgxqP9e3i8>

Video Let me know how you get on!

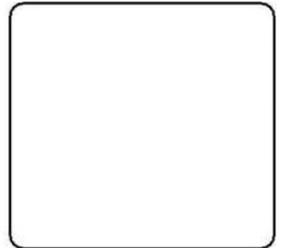

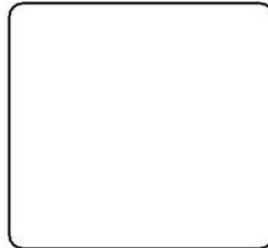

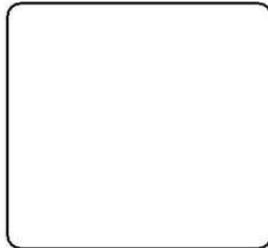

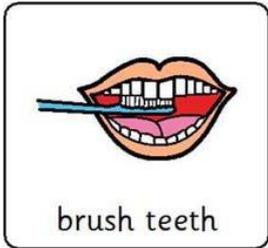

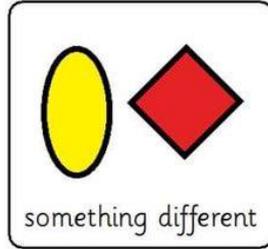

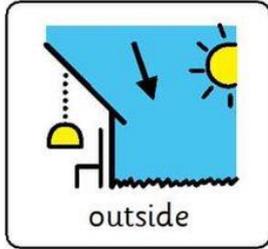

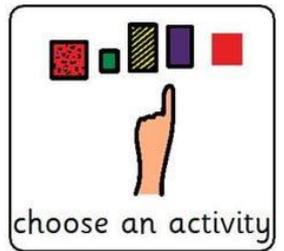

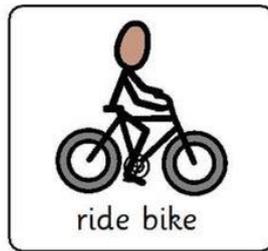

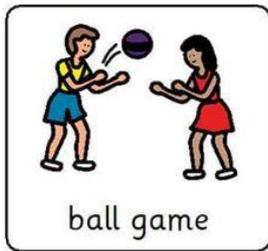

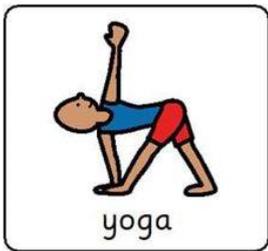

HE - Wrap Pizza recipe uploaded. Give it a go choosing all of your favourite toppings.

PE - The theme of this week's task is speed! You are going to time yourself covering a distance, moving in any way that you want. Then try and do the same distance again on a different day, were you faster?

Examples: How fast can you run around your garden 5 times? How long does it take for you to complete a walking route with your family? How fast can you push your chair around your house? How fast can you drive your powerchair to the end of the garden?

VI - Hi everyone.

There are more sensory story activities for VI and sensory learners this week. Again, the two books I've chosen are also films. This week you can transport yourself to two magical lands, with Alice In Wonderland and The Wizard of Oz. Why not parachute into Wonderland and meet The White Rabbit and The Cheshire Cat. Or spin round and round in a tornado until you land in Oz. Use your imagination and have lots of fun! Head over to the VI and Sensory Learners section in the Home Learning section of the website to find the activities.

Random Acts of kindness

Call a friend or family member that you haven't spoken to for a while

Tell a family member how much you love and appreciate them

Make a cup of tea for someone you live with

Arrange to have a cup of tea and virtual catch up with someone you know

Help with a household chore at home

Watch a film with your family

Tell someone you know a joke to cheer them up

Send someone you know a picture of a cute animal

Spend time playing with your pet
