Forth

Singing. I have uploaded lots of songs to try on school website.

Try - Rhyming name song. Forth Class loved this in music class!
I've recorded this with a few examples. Try making your own and find rhymes for all the names in your household. This could be continued to favourite colours. Ex, Pete likes Red.... It's the colour of his bed.

HE. Tzatziki recipe uploaded on school website to try.

Art

This week's art activity is as easy as ABC. Create words and amazing artwork using everyday objects found around the house. Check out the details in the Art Specialist Section online. Happy hunting and creating!

PE

This week's task is a colour game: colour in 4 different pieces of paper (red, green, yellow, blue). Stick these pieces of paper either on a table top, in different corners of a room, on a door (whichever suits the learner). Get them to run/ wheel themselves/ stretch to touch the different colours. To make it competitive you could count the number achieved in 30s.
