

Tweed Class Home Learning 1st June

Hello to everyone. It's June. Hope you are well, enjoying your time at home and managing to do some activities.

HWB Wake Up and Smell the Roses

This means take time out from your busy life to appreciate the beauty of life and the things that matter most in life. As we have lots of time on our hands at the moment why not try to really find some smells and scents you like. This is what I found on my walk that smelt lovely.

You could do this on your walk, or, find some nice smelling toiletries in the bathroom. It could be something you like to eat. Make a list and share with me.

Literacy; Getting to Know Me

What would you like to tell an unfamiliar person about yourself? Let's do it in the style of a Facebook Profile

The image shows a smartphone screen with a 'factbook' profile template. The template is designed to look like a social media profile and includes the following sections:

- Header:** 'factbook' logo, navigation tabs for 'Home', 'Profile', 'Friends', and 'Inbox (1)', and 'Settings' and 'Log out' options.
- Profile Info:** A blue 'f' logo, a 'Name:' field, and a 'Class:' field. Below these are tabs for 'Wall', 'Info', and 'Photos'.
- Post:** A text box with the prompt 'What's on your mind on your first day?' and an 'Attach' button with icons for photos, videos, and links.
- Interests:** A large empty box on the left for a profile picture. To the right are five sections, each with a text prompt and a square placeholder for an image:
 - 'My absolute favourite things ever:'
 - 'My fave people in the world'
 - 'Subjects I'm good at or I really like:'
 - 'Subjects I'd like to get better at:'
 - 'In my spare time I like to:'
- Information:** A section titled 'Information' with a sub-section 'One day I will be at:' and a 'My hometown:' field.
- Friends:** A section titled 'Friends' with a sub-section 'My birthday:' and a grid of six empty boxes for friend avatars.

Art Activities

Hi, hope you are all well. Here is a description of this week's art activity. It contains as usual, different levels of easy, intermediate and challenging in easy to follow samples, photos and descriptions.

This week's art activity is all about exploring the different textures in found objects, making rubbings and turning your rubbings into wonderful artwork to display at home or to make your artwork into a lovely card to post to someone to make their day.

VI and Sensory Learning

Hi everyone. Check out this section on our Home Learning page.

This week we have film themed sensory activities. You can travel to a galaxy far, far away with the Star Wars and space activities. ☑ Or go on an icy adventure with Anna and Elsa in some Frozen activities. ☑ If you're feeling a bit more super, grab your cape and mask and save the world with some Superhero friends! Braidburn assemble!!! ☆

Have fun everyone!

PE Activities

Hi Tweed class, hope you're doing well?

Now the weather is sunny, and we are allowed out a little more, I thought I could set you a challenge outside this week?

Your challenge is to use your powerchair/chair/skooter/bicycle/ tricycle or your feet to keep active for 30 minutes a day in your local green spaces! Take your family with you and enjoy exploring your local area whilst getting active.

If you want to challenge yourself further, you can stay active for longer or go out several times a day! You could even make a diary to log how active you are being!

Good luck and enjoy the sunshine!

Cheers

Fiona
