

Don Class Activity Grid WC 15th June

Hello Don class Only two more weeks until the end of term! Below are this weeks' activities - remember there is no expectation to finish all of the grid activities – do as much as you feel is necessary.

<p style="text-align: center;"><u>Signing Practice</u></p> <p>Can you practice some of your signalong with a partner? Can you remember how to sign all the days of the week? Can you remember hello and good morning? What about some of our school activities like PE and art?</p>	<p style="text-align: center;"><u>Number Square activity</u></p> <p>Create your own number square or download from here:</p> <p>http://www.printablee.com/post_printable-blank-100-grid-chart_104492/</p> <p>Starting with the number 4 can you colour every 4th number in green? What number comes next?</p> <p>Do the squares have a pattern?</p>
<p style="text-align: center;"><u>Story</u></p> <p>Watch 'We're Going on a Bear Hunt' animated story/read the book at home.</p> <p>https://www.youtube.com/watch?v=0gyI6ykDwds</p> <p>Make your own puppets to enjoy retelling the story with.</p>	<p style="text-align: center;"><u>Movies</u></p> <p>Can you help prepare a movie night at home this week? Think about what everyone would like to watch. Maybe you can vote on the best thing to watch? What snacks will you make to eat during the movie?</p> <p>Perhaps you could make a poster to advertise the movie and make tickets to collect before the show?</p>
<p style="text-align: center;"><u>Lifeskills – Jobs at home</u></p> <p>Can you think about some jobs that you can help with at home? Here are some ideas:</p> <ul style="list-style-type: none">Doing the dishesSetting the tablePairing socks/ Folding clothesGardeningWindow cleaningTidying your room <p>Can you think of any more?</p>	<p style="text-align: center;"><u>Summer Trips</u></p> <p>Where is your favourite place to visit during the summer holidays? Can you tell someone about it?</p> <p>Can you paint or draw a picture of the place using your new activity pack?</p>

Newsround:

In Don Class we enjoy watching Newsround as part of our circle time activities. Continue to watch newsround this week and perhaps you can make or answer some questions based on the news stories?

Days of the week:

Practice the days of the week songs:

<https://www.youtube.com/watch?v=0KqAblcwFOA>

Can you say/order the days correctly starting at Sunday? When given a day can you say what day is next? What about before?

Specialist Subjects:

Art – This week’s art activity is called ‘Let’s Upcycle’. You will learn how to transform an old food tin into something useful and fun. Keep lots of different things safe and tidy or make a new home for a little plant or create a modern frame for a small toy. Let’s get busy.

Music – Videos of songs covered in class on school website.

<https://braidburnedinburgh.com/home-learning-resources/subject-specialists/music-ideas-and-videos/>

County roads with signs on chorus. Try a few times with video then try with youtube clip. <https://www.youtube.com/watch?v=0TeUdJky9rY>

Fast or Slow Video. Listen to the music. Can you work out if its fast or slow?

Ukulele - Country Roads ukulele. Watch video tutorial.

You could play along with Miss Vickers on her video too. The original on youtube is in a different key so wont match. Words and chord symbols to be uploaded.

HE - Banana bread recipe. Banana bread has been the most popular recipe reached during lockdown. Give this one a go. Works best if you have some really ripe bananas.

A supply teacher is also uploading recipes onto the website. You should check these out too!

PE - This week's PE task is to create an obstacle course. Here are some ideas:

- Use cushions on the floor as stepping stones.
- Bubble wrap or newspaper with cornflakes in it (sealed to stop it spilling out) to wheel a chair, walk or roll over.
- Tape or chalk a line on the floor and try to follow it.
- Use water bottles as markers to slalom around.

Be as creative as you can, but most of all have fun!

VI - Hi everyone

For the last few weeks of term there will be lots of Outdoor and Summer Sensory Ideas from VI. 🌞 This week there are some activities you can do when out for a walk, you can create a hanging area in your garden or house and make your own garden decorations, you can do some water painting, or you can go on a sensory story Gruffalo walk!

Have fun.
