Art

This week's art activity is called 'Let's Upcycle'. You will learn how to transform an old food tin into something useful and fun. Keep lots of different things safe and tidy or make a new home for a little plant or create a modern frame for a small toy. Let's get busy.

HE

Banana bread recipe. Banana bread has been the most popular recipe googled during lockdown. Give this one a go. Works best if you have some really ripe bananas.

More recipes are also being uploaded by a supply teacher on the school website. She has a new recipe for everyday of the week!

PE

This week's PE task is to create an obstacle course. Here are some ideas:

- Use cushions on the floor as stepping stones.
- Bubble wrap or newspaper with cornflakes in it (sealed to stop it spilling out) to wheel a chair, walk or roll over.
- Tape or chalk a line on the floor and try to follow it.
- Use water bottles as markers to slalom around.

Be as creative as you can, but most of all have fun!

VI

Hi everyone

For the last few weeks of term there will be lots of Outdoor and Summer Sensory Ideas from VI. ☺ This week there are some activities you can do when out for a walk, you can create a hanging area in your garden or house and make your own garden decorations, you can do some water painting, or you can go on a sensory story Gruffalo walk! Have fun.
