

Hello, all the super learners in Forth Class! We hope that you are all safe and well. Thank you for all your lovely photos and videos. A special shout out this week to Cara, Chanel, Eilidh, Isabella, Isla, Katie and Sabby! Another shout out to Isabella who turned 16 on Saturday! Happy Birthday, Isabella! This is our last week before the summer holidays, so we have some fun activities for you to try! Have a great summer and I hope that we will have lots of sunshine over the next 6 weeks! Have fun, enjoy and take care of yourselves!
Forth Class Team

The following are suggestions for all learners so will need to be adapted or ignored as appropriate.

- Our word of the week is **vacation**
 - Look at the word, cover it and see if you can spell it
 - Draw a picture of something you are hoping to do during your summer holiday (vacation)
 - Find words that rhyme with your name and the names of the people in your family. If this is difficult, choose a new name for yourself. I can hear your rhyme already, Isabella!! Do you have a different one?
 - Can you find words that start with all the letters of the alphabet?
 - Look at letter formation on; <https://www.doorwayonline.org.uk/literacy>
 - Read a favourite book - look up Oliver Jeffers on YouTube
 - Play a game. Can you name:
 - 5 things you could put in a sandwich
 - 5 things that you can do with your hair
 - 5 things you do on your birthday
 - 5 different kinds of brushYou can play with your family. You can time yourselves. Have fun!
- Look at the word **Nutella**. (One for you, Isabella!) How many words can you make from that word? I will start you off - tan, tea... Can you make 10? 15?
 - Take photographs and make a scrapbook
 - Continue with your diary
 - Watch Newsround
 - Watch bitesize on BBC Scotland (about 11am)
 - Practise your words <https://youtu.be/pTo1xaA4Sck>
Read or listen to a story www.raintree.co.uk > [microsites](#) > [engage-literacy](#)
 - Our Planet Earth <https://youtu.be/dk8zDjQToaE>
 - Play board games/ card games
 - Look for numbers around the house or on your walks

- Look up times for your favourite TV programmes. How long do they last?
- Individual maths work sent by email
- Sort collections into sets of 2, 3, 4 or 5.
- Count in 5s/10s to 100
- Count back from 100 in 5s/10s, if you can
- <https://www.topmarks.co.uk/r.aspx?sid=5304>
- Do some jobs around the house e.g. make your bed, tidy your room, wash/dry the dishes, load the washing machine, fold clothes, peg clothes on the line
- Please feel free to email me. Norma.Borthwick@braidburn.edin.sch.uk

Art

This week's art activity teaches you different ways to use flowers and leaves to decorate pebbles, cards, bookmarks and framed pictures.

Mrs. Mullen

Music

Videos of songs covered in class on school website.

<https://braidburnedinburgh.com/home-learning-resources/subject-specialists/music-ideas-and-videos/>

This old man. Try this new song with actions. Uploaded lyrics to help learn this song.

<https://www.incredibox.com/> Try Incredibox. Forth class love to play with this, make up their own beat and have a dance to it. Choose any of the first 4 that are free! (Alpha, little miss, Sunrise, the Love)

HE

For the last week of term Chocolate brownies! Watch the video and try this recipe!

<https://www.youtube.com/watch?v=KETPZPm6148> - Video

<https://www.jamieoliver.com/recipes/chocolate-recipes/chocolate-brownie/> - Recipe

More recipes are also being uploaded by a supply teacher on the school website. She has a new recipe for everyday of the week!

I have had a great year working with Forth class. (Even with a bit of a funny end to the term). I hope everyone has a great summer holiday and I look forward to seeing everyone back in August.

Miss Vickers

PE

The final PE task of the term is a scavenger hunt. This can be done in lots of different ways and either outside or indoors but here are some ideas:

- Have a list of items that can be found either outside or in your house. Using this list go out and collect all the items. 10 points per item!
- The list could be written or using pictures or symbols to work on literacy.
- Instead of collecting items you could go out and take pictures of different local landmarks.
- Maybe you could even create a map together?
- Have fun!

Amy Martin

VI

Hi everyone.

This week's VI and Sensory home learning is the second week of Outdoor and Summer sensory play ideas. ☺ Head to the VI and Sensory Learners section on the website to try them out. This week there is some outdoor water play to try, you can make some soap foam to explore, there's an outdoor *We're Going on a Bear Hunt* story, and also for days when the weather isn't so good, there's an indoor scavenger hunt. ☺

Have fun everyone. ☺

Julie Malcolm (Visual Impairment Support Teacher)

Happy Holidays!!!
