

Spey Class Final Weekly Tasks

As this is our last week before the summer holiday I am just posting a few Fun Activities you might want to try.

Bubbles

Can you use your bubble wand to see who in your house can make the biggest bubble?

Wooden Puppets

Can you make the wooden puppet from your activity bag? When it is finished please take a photo and email it to Mrs Boyle or post it on the Facebook page

Hearts

Can you make a start on decorating your A4 heart ready for bringing in to school in August? Remember you can decorate it however you like.

Art

This week's art activity teaches you different ways to use flowers and leaves to decorate pebbles, and make cards, bookmarks and framed pictures.

Check it out on the school website.

PE

Fitness by dice.

Choose a handful of exercises/ movements that your child can do. Roll a dice and the number on the dice is the number of times they do the exercise.

Bouncing the ball

Make a spot on the floor, large enough to bounce your ball on. You could use things such as chalk, tape or an old t-shirt. Stand next to your spot bounce a ball on in and try to catch it. How many times can you catch it without drop it? Use enough force when bouncing the ball. Grab the ball and bring it into your body when you catch it. Have fun you can try with different size of balls.
