

## Tweed Home Learning 15<sup>th</sup> June 2020

### HWB

Hello Tweed class

I hope you have received your home learning activity packs by now and are enjoying using the resources and completing some of the suggested activities. Do send me an email with photos of the hearts or bunting or pebbles you manage to make. Please remember to keep the bag so you can bring it with any unused resources back to school in August to begin our blended learning approach.

*Catherine Smith*

Remember when I showed you photos of some wildflowers that I saw on my walk and some lovely scented flowers too? This week I want to share some photos of trees that I have seen. Can you see some trees from your window or when on your walk? Have you heard the sound they make when the wind blows? Some trees have flowers and some trees have different coloured leaves.

*Hi, here is an outline of this week's art activity.*

This week's art activity is called 'Let's Upcycle'. You will learn how to transform an old food tin into something useful and fun. Keep lots of different things safe and tidy or make a new home for a little plant or create a modern frame for a small toy. Let's get busy.

*Take care*

*Aileen Mullen*

## Literacy: personal details

Last time you put some information about yourself into the format of a Facebook profile.

This time,, let's try a passport profile.

**Name:**

**Student picture here**

**I like**

**food**

**drink**

**listen to music**

**watch**

**computer**

**friends**

**pets**

**colours**

**Numeracy:** Shopping for Clothes. Pretend you have £30 to spend on an outfit for yourself or a friend. Go online and write down what you would choose.

Hi everyone

For the last few weeks of term there will be lots of Outdoor and Summer Sensory Ideas from VI. ☺ This week there are some activities you can do when out for a walk, you can create a hanging area in your garden or house and make your own garden decorations, you can do some water painting, or you can go on a sensory story Gruffalo walk!

Have fun.

Julie Malcolm (Visual Impairment Support Teacher)

Hi everyone,

This week's challenge is to complete a 'wake up and shake up' every morning!

I want you to think of some actions or choose some from my action bank provided below and complete 5 activities to music every day!

You could do this by yourself or with your family! It's a great way to start the day! Here's some ideas to get you started-

Arm punches, turn around, travel backwards, bridge, stretch your legs, bicep curls with some baked beans tins, arm circles, etc.

I hope you have lots of fun!

See you soon,

Fiona Duffy
