

## Don Class Activity Grid WC 8th June

Hello Don class we hope that you have been enjoying the activities that have been set! Below are this weeks' activities - remember there is no expectation to finish all of the grid activities – do as much as you feel is necessary.

### Kims Game

Playing Kim's game is a good way of developing memory skills and concentration

Put 10 things from around the house on a table. Ask your child to look carefully at them for about thirty seconds. Then take the tray away and ask them to call out what they remember.

Another way of playing the game is to cover the things, take one thing away and ask the child to spot what is missing. You can put more things on the tray as they get better.

You might be interested to know that the name of the game comes from Rudyard Kipling's story "Kim" where the character Kim plays this game as part of his training as a spy!

### Number Square activity

Create your own number square or download from here:

Starting with the number 10 can you colour every 10th number in purple? What number comes next? Do the squares have a pattern? If you're using the same square from last week does this pattern share any numbers with last weeks set?

### Story

Watch 'We're Going on a Bear Hunt' animated story/read the book at home.

Design and build a 'Bear Trap!' using any available resources e.g. lego, junk, furniture.

### Lifeskills

Can you help prepare a meal at home this week? Think about what would be a nice meal or snack for everyone to have.

What do you need to make it? Does everyone have the same thing?

Can you set the table as well? What do you need to put on it?

<p style="text-align: center;"><b><u>Superhero</u></b></p> <p>From the super hero you created last week can you create a story telling of a special adventure that your hero has gone on? Would they be fighting some baddies or saving somebody from somewhere?</p> <p>You can write your story or tell it to another person.</p>	<p style="text-align: center;"><b><u>Summer</u></b></p> <p>It is the beginning of Summer! Can you think of anything that is different in Summer compared to Spring?</p> <p>Perhaps you can make a list of things that are different?</p>
<p style="text-align: center;"><b><u>Newsround:</u></b></p> <p>In Don Class we enjoy watching Newsround as part of our circle time activities. Can you watch newsround this week and tell someone about the news story that you liked the most or found the most interesting?</p> <p><a href="https://www.bbc.co.uk/newsround">https://www.bbc.co.uk/newsround</a></p>	<p style="text-align: center;"><b><u>Months of the year:</u></b></p> <p>Continue to practice the months of the year songs:</p> <p><a href="https://www.youtube.com/watch?v=omkuE6Wa5kQ">https://www.youtube.com/watch?v=omkuE6Wa5kQ</a></p> <p><a href="https://www.youtube.com/watch?v=5enDRrWyXaw">https://www.youtube.com/watch?v=5enDRrWyXaw</a></p> <p>Can you say/order the months correctly starting at June? When given a month can you say what month is next? What about before?</p>

**Specialist Subjects:**

**Art** – This week the art activity is all about bringing the outdoors indoors! Feel the different textures and smell the lovely smells. (Easy) Make fun pictures with leaves, flowers, pebbles, and twigs. Send a photo of your garden person to someone to brighten up their day. (Intermediate/Challenging)

**Music** – Videos of songs covered in class on school website.

**HE** - Biscuit Recipes. If you have any fun cutters you can use them for this. If you don't have any don't worry as you could use the edge of a jar or a glass instead.

A supply teacher is also uploading recipes onto the website. You should check these out too!

**PE** - This week's task is to try and increase your activity. This can take any form that you like but here are some ideas:

- Go a little further or try a new route when you are out exercising.
- Can you play a few of the PE games from previous weeks? Maybe 1 or 2 a day?
- Maybe you could try some of the fitness circuits from previous weeks but add in a few extra exercises or make each exercise last longer?

Choose activities that you enjoy as you are more likely to keep going with them. Have fun!

**VI** - Hi everyone. This week there are some sensory fairy tales for you to try. 🏠👤  
There is a link in the document to a You Tube channel with short animated fairy tales, so you don't need to remember the stories! Also, one of the stories is based on Disney's Tangled so you can explore some sensory activities while having a chilled out movie afternoon. Head over to the VI home learning section on the website and look for the fairy tales document.

Have fun. 😊
