Biscuit Recipe to try on school website. If you have any fun cutters you can use them for this. If you don't have any don't worry as you could use the edge of a jar or a glass instead. A supply teacher is also uploading recipes onto the website. You should check these out too!

PE

This week's task is to try and increase your activity. This can take any form that you like but here are some ideas:

- Go a little further or try a new route when you are out exercising.
- Can you play a few of the PE games from previous weeks? Maybe 1 or 2 a day?
- Maybe you could try some of the fitness circuits from previous weeks but add in a few extra exercises or make each exercise last longer?

Choose activities that you enjoy as you are more likely to keep going with them.

Have fun!

VI

Hi everyone. This week there are some sensory fairy tales for you to try. ☺ ☺ There is a link in the document to a You Tube channel with short animated fairy tales, so you don't need to remember the stories! Also, one of the stories is based on Disney's Tangled so you can explore some sensory activities while having a chilled out movie afternoon. Head over to the VI home learning section on the website and look for the fairy tales document.

Have fun. ☺
