Look at the picture of the Eat Well Plate. Can you find a food that you eat that would fit in each of the boxes?

# The Eat Well Plate

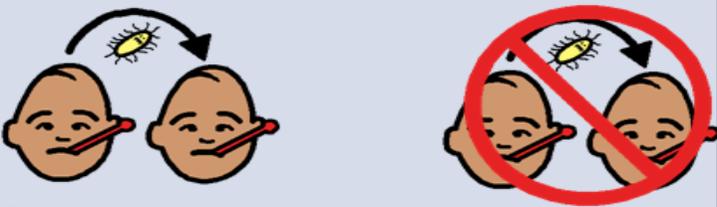

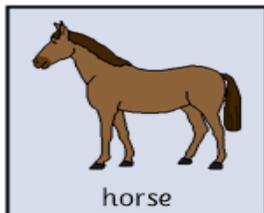

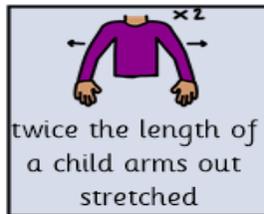

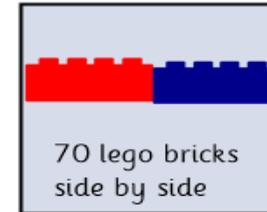

Numeracy Task ; try to find objects around your home that are two metres wide or long

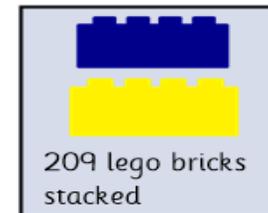

# social distance

To help us stay safe, we have to stay 2 meters away from people who don't live in our house.

Germs can't jump as far as 2 meters.  
What is 2 meters?

## VI

Hi everyone. This week there are some sensory fairy tales for you to try. ☺ ☺ There is a link in the document to a You Tube channel with short animated fairy tales, so you don't need to remember the stories! Also, one of the stories is based on Disney's Tangled so you can explore some sensory activities while having a chilled-out movie afternoon. Head over to the VI home learning section on the website and look for the fairy tales document.

Have fun. ☺

### PE Activity

Hi everyone

This week, can you create a target game similar to Boccia with any items from your house? You could make the target (the Jack) by rolling up a pair of white socks and throwing them out in front of you in the house or garden. Then, using other rolled up socks or balls of different colours try aiming them towards the target. The person to get their ball/socks closest to the target is the winner!

Hope you have lots of fun!

### Art Activity

*Hi, hope you are all well. Here is a brief description of this week's art activity.*

This week the art activity is all about bringing the outdoors indoors! Feel the different textures and smell the lovely smells. (Easy) Make fun pictures with leaves, flowers, pebbles, and twigs. Send a photo of your garden person to someone to brighten up their day. (Intermediate/Challenging)

*Best wishes Aileen Mullen*

*There is a nice link here to last week's Tweed Home Learning Task; Wake up and Smell the Roses. You may have a list of nice smelling items already to use for this Art Activity. CS*
