

Braidburn school is closed

(January 2021)

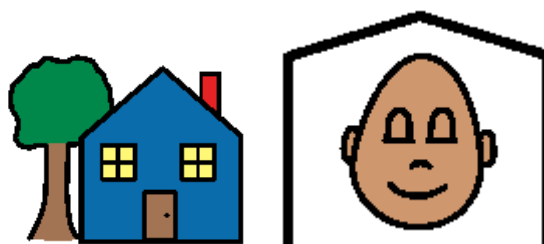

Braidburn school is closed.

There have been a lot of germs making

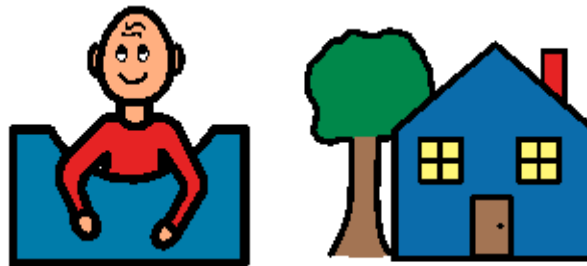

people not well.

I will stay at home to keep me safe and healthy.

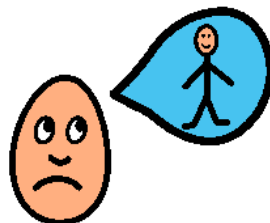

My adults at home will keep me safe.

My teacher will send work tasks home. I can try work tasks at home.

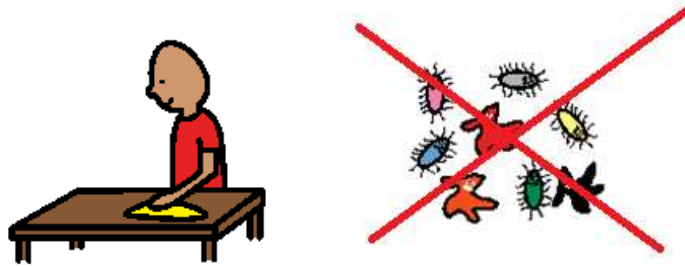

I might have different feelings about being at home.

I might miss my friends.

This is okay.

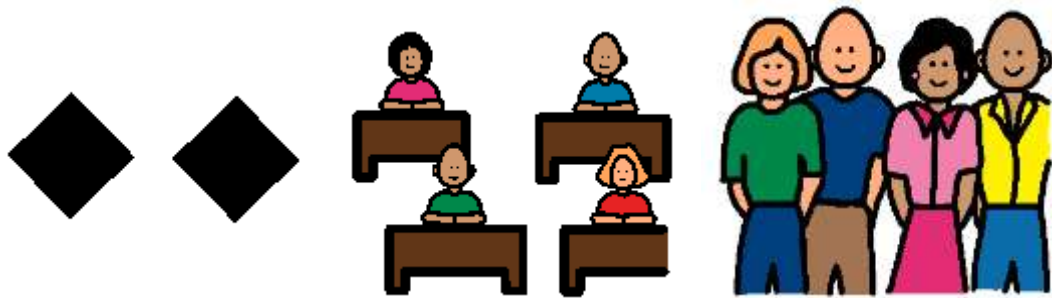

School will be cleaned lots to help keep the germs away.

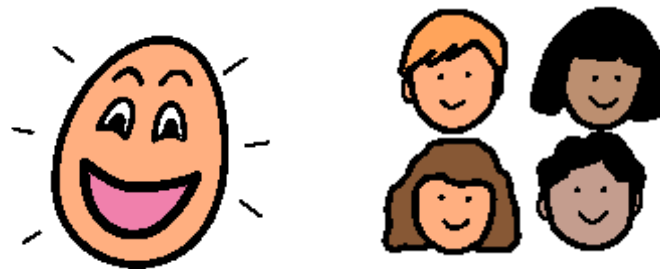

My adults at home will tell me when I can go back to school.

When I go back to Braidburn school it will be safe.

I will be in the same class with my friends and the same adults.

We will all be happy to be back at Braidburn school.
