

Silver Class

Week beginning: 11/01/21

Message from Marta.....

Hello Silver class,

I hope you and your family are well. Did you have a nice holiday? Did you get to play in the snow? I went sledding and had lots of fun. Sadly, we have to stay at home for some time to keep safe, but we will be in touch and still do some fun learning together.

It's a new year, 2021. What a big number. You might have seen this year's breathtaking Edinburgh Hogmanay display. We will be learning about Edinburgh, Scotland, families and the past this term.

You may enjoy reading together or listening to Matthew Fitt's rhyming Scots language poem full of sounds and noises ['Fireworks aff the Castle'](#).

Look at photographs from last year. You have made lots of nice memories with your family. Can you find any older photographs? Have you changed much?

Go outdoors and look for signs of winter.

Remember to take photographs to keep a memory of all the fun things you do. You can add them to your learning journal.

Try to complete a few pages of your work booklets and keep using your Speech and Language resources.

I am looking forward to seeing you soon. Keep safe!

Silver Class

Week beginning: 11/01/21

Music	Art	P.E.
<p>Have fun with action songs.</p> <p>Try to learn a Scottish song:</p> <p>Three Crows</p> <p>Feel the beat with ABC Music.</p> <p>Follow the link and enter the school password below. ABC Music</p> <p>Username - Braidburn Password - Braidburn</p>	<p>Create a picture of a winter tree. Cut a hand shape out and then paint it brown.</p> <p>While the brown paint is still wet, use the other end of the brush to make marks in the paint to create the texture of the bark.</p>  <p>Glue the tree (hand) onto a blue background.</p> <p>Dip your fingers into white paint and dab all over your picture to make it look like snow is falling. Add a layer of snow at the bottom. When the paint is dry you could brush watered down glue on top and sprinkle some silver glitter over the picture to make it look frosty. Well done!</p>	<p>Warm up with Sticky Kids</p> <p>Stretch your arms and try to reach up high. You can catch bubbles or reach for an item, e.g. scarf, ribbon.</p> <p>Play catch and roll with a soft ball (you can make a soft ball out of socks).</p> <p>Dance and do the actions to some of these fun songs: Wiggles and Jiggles From Your Seat</p> <p>Finally, have some relaxation and Cool down with Sticky Kids.</p> <p>Have some fun outdoors.</p>
