

Suggestions for Tweed class week beginning 11th January 2021

Hi Everyone,

Hope you are all keeping well. We are going to have a bit of a winter theme to our activities for a while. Please do as much or little as you feel able and I look forward to speaking to you all during the week

Janet

Morning Routine

Each morning in class we start by choosing the correct word/symbol for how we are feeling and then the day month and weather. We pick the correct number for the date. Possible activities for home as appropriate to your child:

- Pick an emoji from a phone/drawing etc to describe how you are feeling
- Recite the days of the week together
- Recite the months of the year together
- Look out of the window and describe the weather
- Write/overwrite all of the above onto a piece of paper and stick it on the fridge?
- Write the date in the 11/1/21 format

Weekend Diaries

Pupils are encouraged or helped to pick 1 activity that they have done and enjoyed over the weekend (or previous week). The sentence can then be written or typed out for them and a picture chosen from the internet or drawn to illustrate the sentence. Depending on individual pupil ability then:

- stick the sentence and picture in the diary and read it together

If appropriate

- Cut up a second copy of the sentence and ask the child to match the words in the correct order
- And/or Pupil to write out the sentence by hand
- Or Pupil to type the sentence on the computer

Creative Ideas

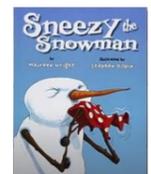

Why not make some Snowman pictures? You can get creative with paint, pens, or cotton wool.

Literacy

Here is a story called **Sneezy the Snowman**. Can you watch it and then do some of the activities suggested activities?

<https://www.youtube.com/watch?v=iUsHnKSyDHO>

- Can you dress yourself up in all the items of clothing the snowman wears and then take a photo?
- Can you help to make a cup of hot chocolate?
- Can you collect some snow or ice from outside (or the fridge) and see what you can do to make it melt (you might be able to take photos of this or write it up on paper)?

- Can you answer some simple questions about the story (this would link to our 'Responding to texts' SQA award)?
- Can you retell the story to someone in your own words?
- Can you watch Frozen and join in with the songs?

Outdoor Learning

If you have any snow left can you draw patterns/write your name or draw some numbers with a stick
Can you build a snowman?
Can you go for a walk and think of some words to describe how it feels eg Frosty, slippery

Why not collect together all the hats, gloves and scarves you can find in the house and sort them into piles
Get someone to mix up all the gloves and see if you can pair them up

There are also lots of resources for home Learning for children with complex needs that can be accessed via the CALL Scotland site using the link below:
