

Suggestions for Tweed class week beginning 22/2/21

Hi Everyone,

In class and at home this week we are going to look at the traditions some Christians have in the weeks before Easter. In Numeracy we will continue with shape and will look at some 3D shapes. Keep going with the morning routine and if you need me to email anything to you, or you want to show me pictures of your work, my address is:

janet.boyle@braidburn.edin.sch.uk.

Remember to do as much or little as you feel able and that helping with jobs around the house provides lots of learning opportunities and life skills development too!

Janet

Morning routine

Each morning in class we start by choosing the correct word/symbol for how we are feeling and then the day month and weather. We pick the correct number for the date. Possible activities for home as appropriate to your child:

- Pick an emoji from a phone/drawing etc to describe how you are feeling
- Recite the days of the week together
- Recite the months of the year together
- Look out of the window and describe the weather
- Write/overwrite all of the above onto a piece of paper and stick it on the fridge? (or use your circle time symbols if you have them at home)
- Write the date in the 11/1/21 format
- **Don't forget to do the activities from your work box each morning**

Weekend Diaries

Pupils are encouraged or helped to pick 1 activity that they have done and enjoyed over the weekend (or previous week). The sentence can then be written or typed out for them and a picture chosen from the internet or drawn to illustrate the sentence. Depending on individual pupil ability then:

- stick the sentence and picture in the diary and read it together if appropriate
- Cut up a second copy of the sentence and ask the child to match the words in the correct order
- And/or Pupil to write out the sentence by hand
- Or Pupil to type the sentence on the computer

Numeracy

H6BY71 Number Skills: Shape (National 1)

If you photograph your work and email it to me I can use it as evidence for your National 1 award

This week we are going to start learning about 3D shapes:

This shape is called a cylinder

Look around outside or in the house and find or photograph as many cylinder shapes as you can.

Can you fill up a cylinder with sand or mud to make some models or castles

There are also lots of online shape games:

<https://www.topmarks.co.uk/maths-games/5-7-years/shapes>

Literacy

Watch the story of Mr Wolf's pancakes using the link below

https://www.youtube.com/watch?v=6_VosU2oLgY

Mr Woolf's pancakes

What can you remember?

1. Who wanted to make pancakes?
2. How many things can you remember that Mr Wolf wanted help with?
3. Who did he ask for help?
4. Did anyone help him?
5. Did Mr Wolf make the pancakes?
6. What happened once the pancakes were made?
7. Can you tell the story in your own words? (Try telling someone else or write it down if you are able)

Pancakes Recipe

Ingredients

1 cup flour 

2 tablespoons  white sugar 

2 teaspoons  baking powder 

1 egg 

1 cup milk 

2 tablespoons  oil 

Instructions

1. In a bowl  Mix flour , sugar , baking powder 

2. Put in milk , egg  and oil .

3. Mix well.

4. Cook in pan.

Following a recipe uses both Literacy AND Numeracy. Why not try out this pancake recipe.

Mardi Gras

What Is Mardi Gras or Carnival?

It is a celebration in February in many countries, such as America, Brazil, Italy and Germany. There is music, dance, colourful parades and costumes.

<https://www.youtube.com/watch?v=gbYck9cFMV8>

Universal studios family Mardi Gra parade

When Does It Happen?

Technically, it is celebrated on Shrove Tuesday, the day before Lent starts (Ash Wednesday).

However, the celebration is so popular in some countries that it can last for more than one day. Some even have a Mardi Gras season starting in January!

Facts about Mardi Gras

Design and Make Your Own Mask

Craft ideas

Remember to check out all the fantastic art suggestions on Mrs Mullen's Art section of the Braidburn Home Learning page

Why not make some instruments of your own and have your own Mardi Gras procession, dancing and playing music wearing your mask!
